

Cloud Integration

Introduction

This document is not intended to include all services and their various connections, but it will include enough information to get you started. All of the services discussed are available through your PC or your iPad. This is an indication of just how much we can accomplish with just an iPad.

As an example, a single user ID and password can be used to log in to all of the Google services that are listed below.

Google

- Gmail
- YouTube
- Google Drive
- Calendar
- Google+
- Chrome
- Picasa and Google Photos
- Chromecast

Yahoo

- Email
- Flickr
- Dropbox integration

Microsoft

- OneDrive
- Office 365
- Outlook.com
- Hotmail

HP

- AirPrint

- ePrint

Apple

- iCloud
- Photostream
- Apple TV

Dropbox

- Integrates with Yahoo
- Integrates with MS Office Mobile
- Now has Carousel

Documents 5 iPad App

- OneDrive
