

## How to block or unblock a caller

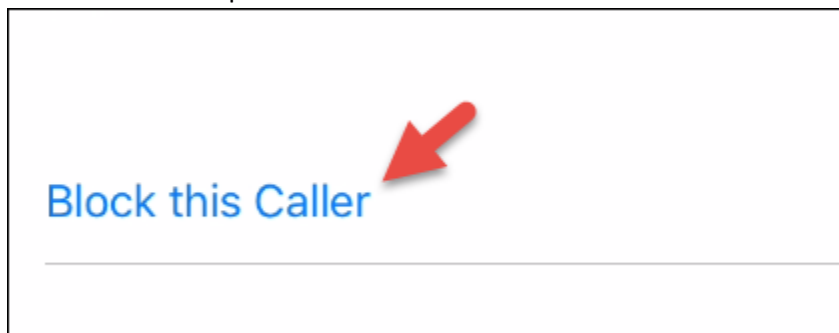

### Blocking a caller

Method 1 – for a recent caller that's not on your Contacts

1. Open your Phone App and tap Recents at the bottom
2. Tap the **i** as shown below

3. Scroll down and tap Block this caller

Method 2 – for blocking a caller already in your contacts

1. Open your Phone App and tap Contacts at the bottom
2. Locate the contact that you wish to block
3. Scroll down and tap Block this Caller

### Unblocking a caller

1. Open Settings and tap Phone
2. Scroll down and tap Call Blocking and Identification
3. Click Edit at the top

4. Tap any red circle to remove that entry from the Blocked Callers list
