

Safari AutoFill

1. Open Settings, Safari
2. In the General section tap AutoFill
3. Turn on Use Contact Info to fill out forms with your data
4. Tap Saved Credit Cards to see your stored cards. You'll need to sign in to do this.
5. Tapping any card shows the following

The screenshot shows the Safari AutoFill interface for a credit card. At the top, the status bar displays the time 9:51, signal strength, Wi-Fi, and battery icons. Below the status bar, there is a navigation bar with a back arrow, the text "Credit Cards", the card brand "Amex", a card number "1234" in a text box, and an "Edit" button. The main content area is a list of card details, each with a label on the left and a value on the right, separated by horizontal lines. The details are: Cardholder (EDWARD SCHWARTZ), Number (Your CC Number), Expires (Expiration Date), and Description (Security Code). The bottom of the screen has a light purple bar.

Cardholder	EDWARD SCHWARTZ
Number	Your CC Number
Expires	Expiration Date
Description	Security Code
